Carlisle Works Hard To Make Your Work Easier

Front of House

Carlisle is the leader in durable, attractive plastic tabletop ware and table coverings. From classic to festive settings, Carlisle has everything you need for interior, patio, and bar service—besides the furniture and food. We also have a wide range of display and serving ware for buffet, cafeteria, and banquet dining including portable food and beverage bars. Our attractive, durable tabletop and serving ware will save you up to 30% per year in breakage versus china and glassware.

Back Of House

Carlisle knows how challenging it can be to run a foodservice operation—consistently serving great, fresh food that is cost effectively prepared with stringent food safety practices. You can turn to Carlisle for professional food prep, storage, handling, and transport needs designed for the exacting requirement of foodservice professionals. Our wide assortment of top quality food prep tools, food pans, storage and handling supplies, and transport equipment make it easier for you to operate your business.

Food Safety & Cleaning Tools

Only Carlisle can provide you a full line of food prep & handling supplies along with cleaning tools and waste handling. We design our products to NSF food safety standards that fit into your ServeSafe® operating practices. Our Carlisle StorPlus™, Sparta® Brush, and Bronco™ brands are crafted to not only help you reduce the risk of foodborne illness outbreaks, they also help you prepare great food in the most cost effective manner. Turn to Carlisle for industry leadership in essential food preparation and cleaning tool solutions.
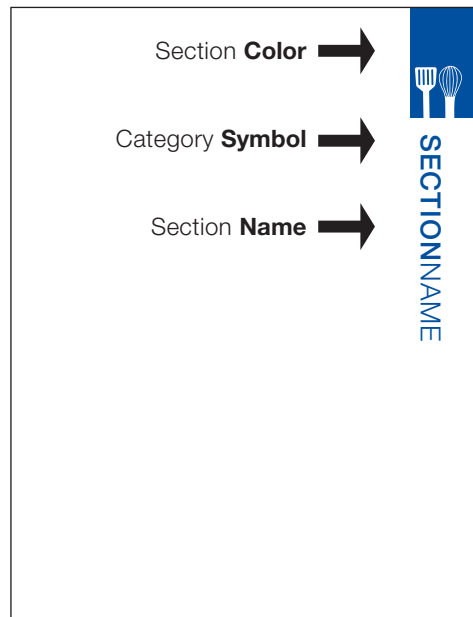

YOU CAN COUNT ON CARLISLE AS A TRUSTED RESOURCE FOR CRITICAL SUPPLIES ACROSS YOUR ENTIRE SITE. FROM THE BACK OF HOUSE TO THE FRONT, CARLISLE HELPS YOU DELIGHT YOUR GUESTS AND RUN A CLEAN, SAFE AND EFFICIENT FOODSERVICE OPERATION.

CARLISLE
FOODSERVICE PRODUCTS

We're proud to be the trusted resource for your critical front of house, back of house, food safety, and cleaning tool supplies.

DINNERWARE

Carlisle offers a wide array of guest pleasing dinnerware choices that can coordinate with every type of venue and cuisine. Set your table with Carlisle and watch the savings stack up vs. traditional porcelain dinnerware. Our durable collections are designed to be beautiful and long-lasting.

MELAMINE DINNERWARE

As the sustainability trend continues to grow, sourcing fresh local food and using minimally invasive products in the front-of-house are more important than ever. **Dayton was designed with the environment in mind.** Make the eco friendly choice. Choose Dayton.

Dayton™

- One of the most eco-friendly commercial grade melamines available on the market
- Classic design is available in 10 stylish colors
- Meets PS25-70 specifications insuring the weight, purity, and quality of our melamine
- Made from 50% sustainable natural resources vs 20% in standard melamine
- Contains a material that will begin to biodegrade in 90 days in a compostable environment
- Withstands the rigors of commercial foodservice dishwasher use
- Maintains its appearance after one year of dishwasher testing
- Dayton melamine is stain, scratch, and break-resistant, making it ideal for any foodservice operation
- Safe for temperatures up to 212° F
- Dishwasher safe

IN-STOCK PROGRAM

Carlisle FoodService is pleased to announce the Marko In-Stock Program. For the very first time, **the most requested Marko table coverings, napkins, skirting and accessories are now available as stocked items.** No longer will you have to place a separate order for your most sought after Marko items. With Carlisle FoodService, **you can count on Marko** to be there for you.

Ordering Information:

- In-Stock items can be combined on one purchase order with foodservice products
- In-Stock items can be combined with made-to-measure items
- Combined orders of In-Stock items and made-to-measure items will ship together upon completion of the made-to-measure items

Note:
- Made-to-measure items cannot be combined with foodservice orders

This is just the beginning—additional items will be added based on demand.

For more information please contact your sales representative.

SoftWeave™

Table Linens

A smooth luxurious fee and a natural, soft texture between your fingers. Marko SoftWeave table linens and napkins, made of spun filament polyester, deliver the soft feel of cotton, yet don't lint, pill, shrink, or fade like cotton. Thanks to an advanced finishing technology, our SoftWeave is able to remain elegant and soft to the touch longer than spun or 50/50 blended polyester. SoftWeave combines style and sophistication with the performance features and low cost efficiencies you desire. Our advanced stain release technology allows you to wash at a low 120°F rather than 160°F while using half the detergent, dramatically lowering your energy costs.

SoftWeave Square

SoftWeave Round

Classic Twill Skirting w/ SoftWeave Tablecloth

Napkins

Made from our signature SoftWeave fabric, it is amazing how a cloth napkin can add to a dining experience. Enhance the atmosphere of your facility and turn an ordinary dinner, or a "quick bite to eat" into a memorable meal or night on the town. Using cloth napkins can keep your customers coming back for more and for less than you think.

Vinyls

Whether you are looking for the classic checkered vinyl or a new upscale pattern to complete your dining room look, Marko's vinyl has that and everything in between including the elegance and drape of fabric.

Skirting

From banquets, weddings, and buffet lines to meetings, conferences and registration tables, the use for table skirting is limitless. Our TruFinish™ Classic™ Twill skirting, made from 100% filament polyester doesn't fade and resists wrinkles for an elegant presentation.

Classic™ Series (Red Check)

STYLISH BREAK-RESISTANT CONTEMPO-RARY ELEGANT DISPLAYWARE

How you display your culinary creations is what brings your guests in. Carlisle has everything you need to provide an organized, attractive, and safe food service environment.

MELAMINE DISPLAYWARE

Balsam display ware is your **Eco-friendly** choice for displaying your prepared food in front of your guest. This displayware is made from **50% sustainable natural resources** vs. 20% in standard melamine, making Balsam **one of the most environmentally friendly commercial grade melamines on the market.**

Balsam™

- Contains a material that will begin to biodegrade in 90 days in a compostable environment
- Withstands the rigors of commercial foodservice dishwasher use
- Maintains its appearance after one year of dishwasher testing
- Durable melamine is stain, scratch- and break-resistant, making it ideal for any foodservice operation
- Safe for temperatures up to 212°F
- NSF Listed; dishwasher safe

Double-Wall Stainless Steel Displayware

- Beautiful, heavy-duty, stainless steel displayware designed for delis, buffets, and special event service
- The modern hammered finish hides scratches for a longer life
- Double wall construction provides insulation to help with temperature retention with both hot and cold foods; no need to preheat or chill

- Double wall construction with air insulation prevents sweating for a fresher looking display
- 609201, 609202, 609203, and 609204 bowls have dual-base indentions allowing bowls to sit flat or at an angle for a more dramatic display and easy food access
- Keeps food under 41°F for up to 2 hours or more

ICE SCULPTURES & PUNCH BOWLS

Ice Sculptures

- Quick and easy way to turn any table into a showpiece
- Fill mold with water, freeze (48-72 hours), and cut open the mold
- Features patented EZ-Cut Bead™ and Contracting Cone Base™
- One time use
- Instructions included with every Ice Sculpture
SGR1   SCL1   SSW1   SEA1

SD01   SBA1   SBG1   SFI1

Contracting Cone Base allows for expansion while freezing to eliminate the major cause of cracking and breaking in the freezing process.

SHR1

Exclusive EZ-Cut Bead opening system makes it quick and easy to un-mold a work of art.

Illuminated Trays

- Perfect for use at buffets or banquets, or as an accent for ice sculptures
- Light boxes come with Blue, Red, and Yellow colored panels
- Light box is UL listed, fuse protected and operates on 115 volt/60 cycle AC
- Drain kits included

INNOVATIVE GUEST-PLEASING VERSATILE DEPENDABLE
FOOD BARS & CONVENIENCE PRODUCTS

Carlisle's workhorse portable food bars, innovative Coldmaster line, and industry leading line-up of serving and convenience smallwares are critical dining supplies for your operation. We develop products with the needs of demanding foodservice professionals like you in mind. You can count on Carlisle to factor in food safety, attractive and operationally efficiency, rugged durability, and one stop shop availability.

COLDMASTER®

The Coldmaster solution **eliminates** the **inconvenience** and mess of ice, as well as reduces the potential for bacteria. The Coldmaster solution is **revolutionizing** the food pan category, offering **innovative** solutions and **making work easier.**

Coldmaster® CoolCheck™

- Patent-pending technology allows you to quickly see when temperatures are no longer safe
- Same great features as our standard Coldmaster products with the added element of color-changing technology
- Eliminates the guessing game behind food safety
- Unit holds food safely below 41°F for 6-8 hours*
- Reduces waste by "telling" workers when food temperature is safe
- Eliminates the mess and inconvenience of ice
- FDA approved; dishwasher safe
- Use Coldmaster Lids listed on pages 98
- NSF Listed

*Time will vary based on ambient room temperature

Designed to fit in standard sized food pan templates or food wells

The Coldmaster Solution:

High-impact ABS plastic holds up to foodservice use

Exclusive refrigerant gel ensures high performance
Non-toxic gel receives a cold "charge" when frozen overnight, which enables it to keep your food cold throughout the day

Extra insulation surrounds refrigerant gel for maximum cold retention

Refrigerant gel is enclosed in a bag; prevents leaks, even if shell is damaged

Coldmaster = Peace of Mind

Coldmaster products are available in a variety of shapes and sizes from food pans to crocks, batter pans to ice cream servers. Coldmaster offers peace of mind while it keeps your food cold and fresh. Enjoy the convenience of Coldmaster, as it allows you to transport and keep food cold, anywhere you need to without messy ice or electricity.

Coldmaster Products Exceed Health Department Requirements

• With one overnight charge in your freezer, each Coldmaster keeps food at or below the ServSafe®* guidelines of 40°F for up to eight hours**

Coldmaster Products Meet FDA Standards

*ServSafe is a registered trademark of the National Restaurant Association

**Temperature retention is based on crocks being pre-frozen for a minimum of eight hours, then filled directly with pre-chilled foods. Testing was conducted under ambient room temperatures of 76°F.

• All Coldmaster products are filled with an exclusive non-toxic refrigerant gel
• Constructed of high-impact ABS plastic
• Dishwasher safe

COLDMASTER®

Standard Food Pans & Lids

BAR SUPPLIES

Carlisle's extensive line of bar supplies enable your serving team to operate a more efficient and profitable bar operation with consistent quality for your patrons. Our efficient, time-saving Bar Essentials, Store 'N Pour containers, and caddy systems save you time and money.

MAXIMIZER™ PORTABLE BAR

Delight your guests and increase revenue. Maximizer enables you to give your guests the bar service they want and expect. It's great for anything from banquet rooms and hotel lobbies to poolside bars and terrace dining.

Maximizer Portable Bar

- Maximizer offers all the style and features you expect in a premium bar at a very affordable price
- Large 56" serving area keeps condiment caddies within reach without blocking prep area
- Durable solid molded countertop is easy to clean and includes a convenient molded-in bar mat well
- Sturdy 5" non-marking swivel casters with locking brake on each end hold the bar securely in place during use
- 15-gallon ice bin features an integrated drain and water trap
- Ice bin includes a standard dust cover for sanitary storage and transport
- Fully assembled, no tools necessary
- Replacement parts are listed on page 332

Maximizer Cover

- Protective 8 gauge vinyl cover keeps bar clean and dry when not in use
- Double vented back secures with hook and loop tape for a custom fit
- Tape fastening allows easy access to bar storage area without removing cover

See our money saving coupon online at
www.carlislefsp.com/ecoupons

Ergonomic 2-step bar and countertop is designed for ease of drink preparation and serving; large surface area keeps condiment caddies within reach without blocking the prep area.

7550

7555 Protective vinyl cover keeps bar clean and dry when not in use

Vented back for easy access

Designed by bartenders, Maximizer Portable Bar's upscale styling fits in any setting to enable profitable, efficient bar offerings that delight your guests with their favorite libations.

Built in cutting board for easy condiment preparation; can be removed for thorough cleaning
Storage compartment includes molded-in rails; use with StorPlus™ 12" x 18" Food Storage Boxes

Maximizer Portable Bar's upscale styling is at home in any setting

Includes standard 22" Stainless Steel Speed-Rak™; holds 6 bottles or 6 Store 'N Pour® Quart containers

Unique sliding storage drawer accommodates mixers, sodas, or standard bus boxes and can be removed for more versatile storage

Durable Maximizer Portable Bar is perfect for outdoor service

Large storage area under the drawer is perfect for staging glassware using our OptiClean™ Glass Racks

STORE 'N POUR®

Store 'N Pour

- Enjoy the benefits of the most efficient storing and pouring system for the bar, kitchen, or dining room
- Pour a perfect 2-1 drink every time with the patented vented spout design
- Two-piece spout and neck design for easy cleaning
- Exclusive manufacturing process ensures tight seal with no leaks
- Made of high density, break-resistant polyethylene
- Easy clean containers have straight wall design with no sharp interior edges that can collect food or bacteria
- Unique stacking ridge on quart and pint caps make storage on shelf in refrigerator easy and secure
- Color-coordinated spouts and caps for easy product identification
- Lids snap on exclusive, recessed base of pints and quarts to prevent loss
- Assorted cap colors promote color-coding

Exclusive manufacturing process assures airtight fit; no leaks

Exclusive spout with vent hole for controlled flow

Textured neck for sure grip when pouring 2-1 drinks

No unsanitary lip undercuts; straight-wall design on pints and quarts for easy cleaning

Back of House Store 'N Pour
Our Store 'N Pour bottles and pourers can also be used in back of the house applications:
- Holding and pouring spices
- Cooking wine/sherry storage and usage

PourPlus™

PourPlus Complete
- Complete unit includes container, lid, and spout

PourPlus Spout
- PourPlus fits all Store 'N Pour containers
- Integrated neck and spout designed for fast, free flowing pouring and easy clean-up
- Textured neck provides sure grip—even when wet
- Necks are color-coded

The Essential Drink Mix System

1. Mix In One-Gallon Container
Accurately measure and mix concentrate or powder in gallon containers. Its wide mouth eliminates the need for a funnel.

2. Cut Preparation Time
Prepare mixes and juices in advance using the gallon storage container. At peak periods simply empty into a quart backup.

3. Transfer To Quarts
Pour a gallon of mix into four easy-to-handle quart containers.

4. Ready To Use
Attach neck with spout to one quart for use in speed rack. Cap the remaining three quarts for backup.

Store 'N Pour Complete Units & Backups

- Complete unit includes neck and container plus color-coordinated pouring spout and cap
- Backup unit includes cap and container
- Dishwasher safe

Store 'N Pour Speed Spout
- No-drip spout is vented to promote faster, more even flow

FIBERGLASS TRAYS

Glasteel™ Trays

Glasteel trays offer durability and cleanability at an affordable price.
- Engineered to be the most durable fiberglass trays available
- Decorating option, see page 327 for additional information
- NSF Listed; dishwasher safe

Heavy-Duty Construction
- Metal reinforcing rods provide extra strength and eliminate warping
- Two thick, reinforcing fiberglass core mats add strength and provide increased chemical resistance

Air Flow Corner Reinforcements
- Air flow corner reinforcements and stacking lugs make Glasteel trays your best choice for stability and drying when stacked
- Unique design permits air flow to all surfaces of stacked trays, reducing drying time

Fiberglass Trays are available in full cases only.

There is a NO-RETURN POLICY on Fiberglass Trays.

Glasteel Fiberglass Tray 5 Year Warranty

Carlisle FoodService Products warrants all of our Glasteel Fiberglass Trays for 5 years from the date of original purchase against breakage arising from normal use and service.

FREE LABELING PROGRAM
Carlisle offers a free decorating program so you can label your trays with a logo or any other call out.

Rectangular Regular & Low-Edge
- Low-edge trays have "squared-off" corners to permit dish overhang, fitting more serving items on a given tray size

Regular

Low-Edge

Display/Bakery
- Ideal for displays and available in all colors and patterns

Trapezoid
- Space saving shape for better table fit

Euronorm/Metric Trays
- Accommodates Euronorm foodservice dimension standards

COMPARTMENT TRAYS

Our Compartment Trays are the perfect **cost effective solution** for portion control.

6-Compartment Trays

- The 6-compartment trays hold government "Type A" lunch
- Carlisle offers the largest variety of sizes and compartment combinations available
- All materials are FDA approved and NSF Listed

NSF.

Materials

Melamine
- Melamine is a heavy, rigid material with the look and feel of china
- It is very scratch- and break-resistant
- Fast drying melamine is highly resistant to chemicals and food acids with a temperature range of 0° to 212°F

Polycarbonate
- Money saving trays carry a five-year warranty against breakage
- Highly break-resistant; perfect choice for correctional facilities
- Polycarbonate offers good scratch- and chemical-resistance with a temperature range of -40° to 212°F

Polypropylene
- Economical, durable choice
- Good chemical resistance
- Temperature range of 30° to 180°F
- Handwashing is recommended

ABS
- Break- & scratch-resistant
- Excellent choice for general use
- Highly resistant to chemicals and food acids with a temperature range of 0° to 180°F

Orientations

Left & Right-Hand
- Offer a greater variety of serving combinations
- Available in melamine, polycarbonate, ABS, and polypropylene
- NSF Listed, except when offered in Variegated(00)

Omni-Directional & Space Saver Trays
- Special design allows you to fit two trays side by side in dish rack for faster cycling time

CATERING
EQUIPMENT

Carlisle's catering equipment line is the professional's choice for your insulated transport needs. Only Carlisle Cateraide's can offer attractive contemporary styling, longer hold times, and unique battle tested features that provide you superior value.

Choose The Cateraide™ To Best Fit Your Needs.

All Cateraides are NSF Listed and made of rugged, stain, and scratch-resistant polyethylene.

Good

NSF Made In **USA**

Pan carriers have exclusive, automatic, self-venting system. LD beverage servers have easy-grip, formed handles for easy transporting.

LD Series

Better

NSF Made In **USA**

Carlisle's better line of Cateraides offers an ergonomic design for easy loading, handling, stacking and storing. The patented* Slide 'N Seal's lids and doors glide shut and stay closed without latches or gaskets. Slide 'N Seal's metal-free line makes it the perfect fit for correctional facilities.

*Slide 'N Seal Pan Carrier Patent No. 7,134,552

Slide 'N Seal

Best

Carlisle brings you the best in temperature retention products with the redesigned Cateraide IT insulated transport line. The Cateraide's sturdy construction offers a long-lasting product and the thick foam insulation holds temperatures in the safe zone for over 6 hours. Our special coating gives the IT a beautiful, glossy sheen. The new, sleek design gives an updated, contemporary look to any table setting.

IT Series

CATERAIDE™ IT

Introducing the **newly designed** Cateraide IT insulated transport line of products. IT is the only choice for foodservice professionals demanding they have it all. For the first time, rugged durability and industry leading safe food holding times are combined with **attractive, contemporary styling.** Cateraide IT sets a **new standard for value.**

Insulated Beverage Dispenser

- Heavy foam insulation holds temperatures in the safe zone for over 6 hours
- Field adjustable latches ensure a secure seal for the life of the carrier
- "Spring Action" faucet for no drip service
- Button-hole latch design offers convenient one hand operation and keeps the doors and lids closed tightly for better temperature retention
- Sure-grip handles promote a safe, stable, two-person lift for easy loading and unloading
- Custom logo printing available

Insulated Ice Caddies

- Cateraide construction made of rugged, stain- and scratch-resistant polyethylene
- Filled with extra thick foam insulation for maximum temperature retention
- Rounded inside corners and removable lid for thorough cleaning
- Stainless steel, reinforced hinges prevent rusting
- Easy rolling, heavy-duty 5" casters
- Replacement parts shown on pages 331

200 Lb Caddy

- Lid opens and lays flat against side of unit to conserve space
- Front faucet for fast drainage and easy cleanup; inside has sloped base for complete drainage
- Includes convenient shelf; allows water to drain away from ice
- Dual handles for easy maneuverability
- 10" non-marking back wheels roll easily over rough surfaces

125 Lb Caddies

- Nylex™ latches eliminate sharp edges; won't rust, bend, or dent
- Ice Caddies IC2250 and IC2254 are only 28.75" high for smaller, more compact space requirements
- IC2250T Ice Caddy is 36.5" high to reduce back bending motion
- IC2250T Ice Caddy has 8" non-marking back wheels for easy maneuvering over rough surfaces

COOKWARE

Carlisle cookware and bakeware is designed to support professional chefs, helping them to succeed in their constant pursuit to delight their guests with great food. Our wide selection of top-quality products delivers reliable, long-lasting value to your operation.

FRY PANS

Excalibur Fry Pans feature a **reinforced non-stick coating** to protect your fry pans from daily wear and tear.

Excalibur® Fry Pans

- Stainless steel reinforced non-stick coating is micro-bonded to the substrate of the pan creating a multi-layer surface that easily releases food and resists scratching better than traditional non-stick surfaces
- Excalibur cooks food evenly without the need for added fat or oil
- Hard 3004 aluminum body stands up to the toughest foodservice environment
- Removable Dura-Kool™ Sleeves
- Use with High Heat Turner shown on page 198 of the foodservice catalog
- NSF Listed

Sauté Pans

- Low sided sauté pans are designed for high heat browning or quick cooking
- Come with removable Dura-Kool sleeves
- Heavy-weight aluminum

Straight Sided Aluminum Sauce Pans

- Rounded corners for easy stirring, helps prevent thick sauces from burning
- Heavy-duty, straight-sided pan's thick base provides quick and even heating for thorough cooking

Tapered Aluminum Sauce Pans

- Tapered shape reduces contact with direct heat source and encourages cooking by diffusing heat from the side walls
- Sides are gently sloped and corners are rounded for easy stirring
- Tapered design nests for convenient storage
- Extra wide lip adds durability and offers more precise pouring
- 14 qt saucepan has side handle to aid lifting

Sectional Pasta Cookers

- Ideal for pasta, vegetables, and seafood
- Save time, energy, and space by cooking multiple portions in one pot
- Stainless steel inserts with .13" holes feature cool-touch handles and can be hooked on the side of the pot for easy draining
- Complete unit includes 20 qt pot and 4 quarter size inserts

FOODSERVICE PRODUCTS

HEAT LAMPS

Heat Lamps
- Wide selection of heat lamps for both front-of-the-house buffet service and back-of-the-house temperature retention

Flexiglow™
- Spun aluminum shade with flared rim for added strength
- Shade is drilled for increased heat dissipation
- Optional NSF Listed maple cutting board and drip pan is perfect for a front-of-the-house carving station
- Meets Standard Electrical Specifications shown
- Rated UL recognized

1 YEAR WARRANTY
HEAT LAMP

One Year Warranty against defects in materials and workmanship

Dual Arm Flexiglow
- Two flex arms provide heating for separate products
- Vinyl-coated arms help keep unit sanitary
- Includes two 250-watt Red bulbs

Single Arm Flexiglow
- Switch located away from the heat source
- Includes 250 watt Red bulb

HL8285GB

HL8195B

HL8185   HLA20   HL8285

Two Bulb Adjustable

- Adjustable arm for different heat settings
- Spun aluminum shades with flared rim for added strength and more even heat dissipation
- Ceramic insulated sockets with nickel plated contacts to prevent fusing
- Meets Standard Electrical Specifications shown on facing page
- On/off switch mounted on arm away from heat zone
- Includes two 250-watt Clear bulbs
- UL & CSA listed

HL7237PS

Standard Electrical Specifications

- Sockets are ceramic insulated and furnished with a nickel-plated copper screw shell and contact point to prevent fusing
- Internal wiring is braided and silicone covered and rated 200°C
- Durable 16 gauge external wiring with molded three-prong plug
- All switches are either "T" or "L" rated and surpass minimum requirements
- All switches are located out of the heat zone
- Designed to operate on 110-120 volt AC service; wiring will accommodate 250 volt AC service
- Heat lamps have one year warranty against defects in materials and workmanship

SPARTA® PASTRY & BASTING BRUSHES

Sparta Pastry & Basting Brushes have been the **top choice** of discriminating professional chefs the world over for decades. The **high quality craftsmanship** provides the **best bristle retention in the industry.** You should never sacrifice food safety and with our wide selection of brushes, we have a brush to cover **all of your needs.**

TOP SELLER

SPARTA® BRUSH
Famous for Quality

Chef Series™ Brushes
- Professional, high-quality lacquered hardwood handles with brown plastic ferrules are the choice of top chefs
- Bristles are epoxy-set to ferrules to provide superior bristle retention and to prevent bacteria harboring air pockets

Sparta Chef Series Croissant Brush
- Extra long bleached boar bristles for use on the most delicate of pastries and foods

40377

Other Brands

Sparta

Superior Food Safety Construction
Epoxy-set ferrules on all Sparta Pastry/Basting Brushes are especially designed for foodservice use; eliminating hazardous bacteria traps commonly found in other brushes. Sparta Pastry/Basting Brushes are available in a wide range of sizes and styles.

Chef Series Basting Brushes
- The professional's choice for use in basting meats and poultry
- Durable sterilized, double-boiled, bleached boar bristles
- Withstands temperatures of up to 500°F

Note: Basting brushes should not be cleaned in dishwashers. Brushes should be dipped in a commercial cleaning solution and rinsed.

CARLISLE
FOODSERVICE PRODUCTS

BOWLS, COLANDERS, & DREDGES

Classic Stainless Steel Mixing Bowls

- Flared rim forms an integral pour lip while adding extra strength
- Rust-free 24 gauge, 18-4 stainless steel
- Dishwasher safe

601405

601416

601408

Colanders

- Seamless satin finish aluminum construction with rolled top edge for extra strength
- Sturdy handles are securely riveted on sides
- Available in extra heavy or standard gauge aluminum

60277

60278

Coldmaster® Batter Pan

- Coldmaster system eliminates the inconvenience and mess of ice and reduces the potential of bacterial growth
- Use for batter and dredging to make sure uncooked food is always below ServSafe® temperature
- 10 qt capacity accommodates standard size fry baskets
- Holds batter at or below the ServSafe®* guidelines of 40°F for up to eight hours**

*ServSafe® is a registered trademark of the National Restaurant Association

**Temperature retention is based on Coldmaster being pre-frozen for a minimum of eight hours, then filled directly with pre-chilled foods. Testing was conducted under ambient room temperatures of 76°F.

STORPLUS™ FOOD PANS

StorPlus is a whole house storage and handling solution. It provides **safety** and **efficiency.** The Universal Food Pan Lids fit all major brands, helping to **lower inventory.** Use these products that only Carlisle offers and **make work easy.**

Food Pans

- Reinforced top and bottom corners on both pan and lid help prevent chipping and cracking
- Spoonable bottom makes removal of contents easier and helps prevent food waste
- Molded-in capacity indicators are listed in both quarts and liters
- Textured non-slip finish on corners, sides, bottom, and lid to reduce scratches
- Smooth interior finish makes clean-up easy

- Polycarbonate containers can withstand temperatures from -40°F to 212°F
- High-heat pans excel in high temperature applications and are BPA Free (-40°F to 375°F)
- Polypropylene pans are an economical choice and BPA free (32°F to 170°F)
- Food Pan sizes meet specifications for use in food bars and steam tables
- Pans meet EN 631-1 Euro Norm standards for inter-stacking with existing pans
- NSF Listed; dishwasher safe

NEW PRODUCT **NSF®** **CRITICAL CONTROL POINT™ CCP**

Universal Food Pan Lids

- Fit Carlisle StorPlus Food Pans as well as other major brands on the market
- Features a hanging hole for easy storage
- Fits both Gastronorm and standard size food pans
- Carlisle lids stack with themselves for easy storage
- Available in polycarbonate or high heat material
- NSF Listed; dishwasher safe

NSF®

Smart Lids™

- Unique inside seal design provides superior leak-resistance and keeps your foods fresher, longer
- Perfect for transporting foods to off site locations
- Smart Lids (combined with StorPlus Food Pans) fit inside Cateraide Top Loaders and End Loaders (shown on pages 154-161)
- Polyethylene material is dishwasher safe; for use in -40°F to 180°F
- Designed exclusively to fit StorPlus Food Pans

Smart Lid's unique inside seal design provides superior leak-resistance; protects against spills

carlislefsp.com | 800.654.8210 | See our online catalog for tech spec information

High Heat

StorPlus High Heat Food Pans provide the single container solution for cold storage, flash-freezing, microwave preheat/cooking, and prolonged high temperature retention in steam table applications.

NEW PRODUCT

e CARLISLE EXCLUSIVE

6" Deep

Perfect for your toppings bar! 1/9 size food pans allow you a 50% larger assortment over 1/4 size pans. These pans have a similar capacity to our 4" deep 1/4 size food pans with 35% less footprint.

Catering

StorPlus Food Pans fit Carlisle Cateraides™ (see pages 152-161) and other standard transport containers for off site catering, company lunches, etc.

Use StorPlus Food Pans with Maximizer™, Six★Star™, and Five★Star™ Food Bars shown on pages 106-109 and with Cateraides shown on pages 154-161

Universal Lid, Recessed Handle
Offers a secure grip. Notched lids allow easy access with serving spoons. Rim around notch helps prevent contamination from spills

Rim Around Top Of Lid
Helps stabilize stacked food pans

Reinforced Corners
Gives extra support and increased strength to resist breakage and warping of food pan rims

Textured Bottom and Lid
Reduces scratches and clear sides allow for easy viewing of contents

Capacity Indicators
Sides of Food Pan are marked in both liter and quart capacities. Pan capacity (set for flush fill) and portion counts are molded-in to exterior of food pan bottom for easy portion control

Spoonable Bottom
Adds structural rigidity and allows easy access to contents to eliminate food waste

Drain Shelves
Sturdy feet support contents and allow room for easy drainage

CARLISLE FOODSERVICE PRODUCTS

STORPLUS™ FOOD PANS

Polycarbonate Food Pans & Lids

- Polycarbonate pans and lids withstand tough use
- Resists food acids and oils; and can withstand temperatures of -40°F to 212°F
- For a leak-resistant seal use Smart Lids

STORPLUS™ STORAGE BOXES

StorPlus **color-coded** storage boxes are a solution that helps employees **easily identify** proper storage containers, **eliminating cross-contamination.**

StorPlus Color-Coded Storage Boxes & Lids

Food Storage Boxes
- Reinforced top and bottom corners on both box and lid, help prevent chipping and cracking
- Quart, gallon, and liter capacity indicators (on 12" x 18" box)
- StorPlus boxes stack easily for efficient storage, fit standard carts and racks, and with other boxes on the market
- Smooth interior surface makes cleaning easy
- "Lock-Tight" lids can be reversed and used as bun pan or tray
- Polycarbonate boxes provide easy visibility, superior resistance to food acids and oils, and withstands temperatures from -40°F to 212°F
- Boxes double as dough proofing bus boxes, warewashing tubs for kitchen overflow, or remote locations
- 18" x 26" colander is ideal for storing, draining, thawing, and marinating foods; keeps lettuce crisp, thaws and drains fish on ice, marinates chicken, etc.
- Polyethylene boxes offers economical storage and transport and withstands temperatures from -40°F to 180°F
- NSF Listed; dishwasher safe

Benefits of StorPlus Color-Coded Storage Boxes
- Prevent cross-contamination and help meet standards as part of a complete HACCP Program
- RimGlow™ technology gives the boxes and lids a distinct, yet transparent color to segregate them by usage

*Clear polycarbonate food boxes comes in Clear(07) only

Material Choices

Available in durable polycarbonate or practical, economical polyethylene

Textured Lid

Non-slip textured finish for longer wear

Lid Corners

Reinforced to help prevent chipping and cracking

"Lock Tight" Stackable/ Reversible Lids

Secure "bead and socket" latches firmly attach lids to boxes; prevent spills, moisture loss, and contamination

Easy-Grip Reinforced Handles

Reinforcement ribs add strength and rigidity for a more secure grip

Capacity Indicators (12" x 18" size only)

Allows "prepping" and "portioning" in the same container as transport and storage

Textured Finish

Non-slip textured finish on corners, sides, and bottom of box reduce scratches — keep boxes looking newer, longer

Reinforced Box Corners

Help prevent chipping and cracking

Date Indicators

Convenient date indicators on all four sides and on lids for easy recognition

Recommended Use

Clear boxes are for dairy foods, ready-to-eat, and cooked foods

Textured Lids

Non-slip texturing provides secure stacking and scratch resistance. Snap-on lid fits both polycarbonate and polyethylene containers.

Wide, Easy Grip Handles

Wide, comfortable design with textured finish provides a secure grip.

Date Indicators

On all four sides help maintain food quality and make inventory control easy.

Spoonable Bottoms

Makes removal of contents easier, helps prevent food waste and promotes easy clean-up.

Contents & Date Indicators

Provides convenient space for marking contents and date to help promote product freshness and quality.

Stacking Lugs

Corner stacking lugs add strength, rigidity, and prevent jamming when stacked. Containers stack with other popular brands.

Capacity Indicators

Listed in both gallons and liters, are color-coded to match lids for quick identification.

Textured Finish

Non-slip textured finish on corners, edges, and bottom of container reduces scratches to keep containers looking like new longer.

Economical Space Savers

- Clean, safe alternative to storing food in shipping cartons
- Square shape allows for practical storage in the freezer, cooler, or shelf
- Molded-in volume graduations indicate capacity
- Translucent polypropylene offers contact clarity for easy identification of products
- Withstand temperatures from 32°F to 170°F
- Economical white polyethylene withstands temperatures from -40°F to 180°F
- NSF Listed; dishwasher safe

METAL FOOD PANS & LIDS

Food pans are **the back bone of any foodservice operation.** For storing, preparing, and serving, they are a necessity. Only Carlisle offers you **complete versatility with a broad range of food pans** to meet your needs.

DuraPan™ food pans

Double reinforced corners and unique impact resistant edge design help pans hold shape; will not jam together during storage. Tapered pans fit standard food pan templates and will stack or nest with most other leading brands. Versatile 18-8 stainless pans go from freezer to oven to serving line; ideal for cook-chill operations.

DuraPan Covers

- Made of heavy gauge 18-8 stainless steel
- Available in solid or slotted styles
- Recessed handles offer a secure grip
- Notched lids allow easy access for serving spoons

NSF®

Steam Table Application

DuraPan's impact resistant edge maintains shape better and lays flat, providing a tight seal for better temperature retention in steam tables

Coldmaster® Application

Use DuraPans with Coldmaster Coldpans (shown on pages 98-99) to keep foods cold without ice or electricity

DuraPans Covers, Recessed Handles
Large, recessed handles offer a secure grip. Notched lids allow easy access with serving spoons

Full Shoulders
Prevent jamming during storage and provide added strength for longer life

Spoonable Bottoms
Add structural rigidity; allows easy access to food and makes clean up easier

Double Reinforced Corners
With unique impact resistant edge design holds shape even under the toughest conditions

Available in heavy gauge or light gauge, Carlisle offers a wide range of accessories including solid and slotted covers, drain shelves, divided pans, and adapter bars.

METAL FOOD PANS & ACCESSORIES

Divided DuraPans
- Divided pan is perfect for serving complimentary foods
- Single pan fits in full size pan opening; eliminates the need for adapter bars

Divided Pan with PC140N Cateraide™ Top Loader

602202

602203

Drain Grates
- Chrome-plated, heavy-duty grates with durable welded construction holds food above pan
- Use for cooling or draining foods
- Fits full size pans

607912

607904C

607901

Stainless Steel Bains Maries
- Heavy gauge 18-8 stainless steel ideal for serving, storing, and preparing foods, sauces, and dressings
- Easy to clean, satin finish and smooth rounded edges
- Optional covers have recessed handles to allow stacking of covered containers

607902

607908

Adapter Bars
- Use adapter bars with DuraPans in steam table applications, Cateraides, or other standard transport containers
- Two sizes available to work with full or fractional size pans

WARE-WASHING PRODUCTS

Carlisle offers every rack, basket, and accessory you need for efficient warewashing operations. OptiClean™ is the industry standard for enabling clean, spotless ware. Our full line of color-coded rack extenders and Plaque-a-Rack are the ideal solution for sorting and managing your ware.

OPTICLEAN®

Build Your Perfect System

- OptiClean's basic three-component system of base racks and open and divided extenders allow you to construct the exact configuration you need
- Sure-Lock Extender design makes alterations quick and easy
- The user-friendly product numbering system refers to the exact type of rack you're ordering, without any complicated formulas
- Each number consists of an "R" followed by a descriptor – "G" for Glass, "W" for NeWave, "P" for Peg, etc
- Glass and cup racks are further defined by their number of compartments, ie: RG16 for a 16-compartment glass rack base
- To add extenders to your order, just add a dash and the number of extenders you need to the end of the basic product number, such as "RG16-3" for a 16-compartment glass rack with three extenders (note: each extender adds approximately 1.5" of additional height to the inside compartment of the rack)
- Use the unique Plaque-A-Rack System shown on pages 234-235 for the ultimate in easy-to-use rack identification

Glass Rack Compatibility Chart

- Carlisle's Glass Rack Compatibility Chart is available at www.carlislefsp.com/findrack
- Once there you can find recommendations for glass racks designed to be used with Anchor Hocking, Cardinal, Libby, and Oneida Glassware as well as Carlisle Tumblers
- Glass Rack recommendations are based on both the measurements provided by each glassware manufacturer and the minimum clearance required for optimum cleaning performance
- Because actual glasses vary in size, you may prefer to use our glass rack sizing guide shown on facing page

All OptiClean Racks have an outside measurement of 19.75" x 19.75"

Three component system

Our combination of base rack and alternating open and divided extenders offers the greatest protection without sacrificing performance

Quick Draining

No flat surfaces to trap water or loose food particles inside the rack – ensures proper drainage

Positive stacking

Positive stacking from either direction – stacks with all major competitors

Sure-Lock Extenders

Sure-Lock™ Extenders unique snap-on/snap-off attachments allow for fast, simple assembly/disassembly from the outside of the rack without loose screws, other fasteners, or even tools

Double wall construction

Double wall construction for maximum strength, protects contents from moving machine parts

Comfort Curve Handles

Comfort Curve Handles – molded into all four sides for easy handling, won't pinch fingers

Open profile design

Open profile facilitates superior washing, complete rinsing, and fast drying

Four-way tracking

Sturdy bottom with four-way tracking for easy dish machine loading without the need to rotate racks

Honeycomb design

Unique "honeycomb" design distributes load more effectively – like a brick wall, while smooth rounded edges on the large openings provide multiple hand-holds and a sure grip on racks from any angle

Textured Finish

Non-slip textured finish on outside walls reduces scratches to keep racks looking new longer, improves durability, and provides a secure grip

Glass Rack Sizing Guide

Instructions:

1. Place glass upside down on top of the middle circle of the sizing guide; center of the glass (or the stem on stemware) should be over the center of the guide.

2. Look down on the base of the glass.

3. Note the smallest circle on the guide where the largest outside diameter of your glass lines up completely within the circle without touching it – this is the number of compartments your rack needs to have.

4. Place lip of glass against the base line of the vertical guide on the right-hand side of the page with the base/foot of the glass pointing straight up towards the top of the page.

5. While holding the glass against the vertical guide, note where the base/foot of the glass lines up on the vertical guide – the next line above the base/foot on the guide indicates the number of extenders your rack will require.

6. Carlisle's unique OptiClean Warewashing rack system allows you to build the perfect rack for any application. Glasses with a maximum height exceeding 10.5" will need more than five extenders. Custom racks requiring more than five extenders are available for order by contacting a Carlisle FoodService Products customer service representative. Each extender adds approximately 1.5" of additional height to the inside compartment of the rack.

- For glasses with a maximum diameter exceeding 6", Carlisle FoodService Products recommends using the RTP peg rack. The RTP peg rack can be custom ordered to accommodate any glass height.

- Please contact a Carlisle FoodService Products customer service representative to place your order, or for more information about building the ideal rack for your needs.

New Color-Coded Options

Organize Your Operation

If your operation has multiple drinkware styles that need to be washed, stored, and easily identified, Carlisle has a solution to make work easier. Our OptiClean extenders are now available in six color choices. Use this option to color-code your glass racks and keep each piece of drinkware in its proper place. If you have multiple areas of serving within your establishment you can designate specific colors so that your fine dining stemware stays separate from the poolside drinkware.

NEW PRODUCT

OPTICLEAN®

Dish Racks

OptiClean Dish Racks offer the safest and most sanitary cleaning choices for everything from the most fragile tableware to heavy-duty kitchen items such as utensils and cutlery. These racks are NSF Listed and offer all the same great features as the rest of Carlisle's wash racks such as sturdy double wall construction and Comfort Curve™ Handles molded into all four sides.

RTP

ROP

Peg Racks
- Holds plates, trays, and platters at the best angle to take full advantage of today's multiple spray, high-pressure dishwashers
- Plate locks hold dishes firmly in place to protect delicate rims, reduce chipping and breakage
- Use with additional Open Extenders (RE) to create the perfect rack for irregular or oversize drinkware
- NSF Listed

Tall Peg Plate & Tray Rack
- Extra tall 2.94" pegs are ideal for charger plates, pasta bowls, large platters, and trays

RB

Open End Peg Rack
- Tall 2.94" pegs with open ended design hold all types of trays, standard size baking sheets, and other long items

Open/Bowl Rack
- Sturdy open bottom rack is ideal for all large bowls, containers, brushes, cookware, and cutlery

Combination/Flatware Rack
- Bottom grid allows for free flow of water and air
- Keeps flatware in place for thorough washing and drying
- Perfect for ramekins, and other small items
- NSF Listed

CARLISLE FOODSERVICE PRODUCTS

PLAQUE-A-RACK

Carlisle's Plaque-A-Rack System is the proven standard in custom rack labeling. The highly visible plaques fit up to three across on both bases and extenders for complete versatility. Plaques can be easily added, removed, or changed as needed. Sturdy reusable plaques are made from a high-impact plastic and won't come off during the normal wear and tear of daily usage – offering a permanent identification system for the life of your racks.

Plaque example shown above: XRG25-2 with 203, 303, 103

- Plaque-A-Rack provides four ways to customize your Glass Rack System:
  – glassware silhouette
  – glassware style by name
  – location of glassware usage or storage
  – custom color coding options
- Plaques are hot stamped for durability
- Plaques are Carlisle Blue(14), unless otherwise specified
- All plaques are 3" long by 1" high
- Racks can be ordered with up to three possible plaque imprints
- There is a $4.16 U.S. list price charge per rack for each Plaque-A-Rack order (includes 2 plaques on 2 sides); special orders for plaques on all four sides have a $8.32 U.S. list price (includes 2 plaques on 4 sides)
- Plaques may also be ordered separately at $1.04 U.S. list price each
- Plaques are placed horizontally on two opposite sides of the rack along the top most edge

- Plaques snap on for a tight fit; won't fall off during normal use
- Plaques can be removed if necessary and are re-usable
- Allow ten working days for shipment of your standard order
- Plaqued racks sold in full case quantities only
- Please allow 4-6 weeks from approval of sample for custom plaques
- Custom imprinted plaques are $1.04 U.S. list price each with an additional $50 U.S. net price setup fee
- An additional $142 U.S. net price dye charge will apply to any plaque order that does not include racks
- For custom color coding, please specify which color is to be used for each rack
- All plaque sales are final

How To Order

Follow instructions below and refer to the charts on the facing page for catalog numbers.

Step 1: Choose the glass rack that best fits your glassware.

Step 2: Plaque-A-Rack glass racks are identified by an "X" preceding the standard glass rack catalog number (example: "X"RG25-1 25-Compartment Plaque-A-Rack glass rack with one extender).

Step 3: Choose the different imprints you want from the types of plaque imprints available.
- Silhouette
- Name of glassware
- Location

Step 4: Place the three digit plaque catalog imprint product number next to the standard glass rack catalog number.

EXAMPLE:
Rack Choice: RG25-1
Silhouette: Red Wine
Glassware Name: Red Wine
Location: Service Bar
Catalog No: XRG25-1   204   304   104

Flagged

Great for fine debris and use on smooth surfaces

Unflagged

Great for larger debris and rough surfaces: Bristles prevent ends from matting making this style perfect for back-of-house and outdoor applications

Duo-Sweep® Straight

- Two handle holes; upright hole for general purpose sweeping or angle hole for reaching into corners, along walls, or into hard to reach areas
- Flagged blue synthetic bristle for fine debris
- Stiff black synthetic bristles can be easily cleaned to extend broom life
- Guaranteed to outlast up to four corn brooms

FLOOR SWEEPS

Fine

- Recommended use: Fine powder and dust removal on polished wood, marble, terrazzo, or ceramic tile floors
- Heavy-duty plastic block resists splitting and cracking and is unaffected by moisture
- Soft, flagged bristles

36204824

Medium

- Recommended use: For general sweeping of smooth concrete, unpolished wood, vinyl and tile floors
- Heavy-duty plastic blocks resist splitting and cracking and are unaffected by moisture
- Horsehair-Polypropylene is a perfect blend of soft bristles for fine dust and stiff bristles for heavier debris
- Use black natural tampico bristles for heavy dirt
- Black polypropylene bristles resist oil and water while maintaining shape

Floor Sweepers

- Brushless mechanical sweeper has non-marking rubber blades that grab fine particles and heavy debris from various types of floor surfaces
- Large capacity dust bins thoroughly clean blades as they rotate; won't re-deposit dirt like ordinary sweepers
- Easy one touch doors for emptying debris
- Shelf-friendly packaging

FLOOR SCRUB BRUSHES

Dual Surface Brushes

- Recommended use: Cleaning kitchen floors, under counters, around equipment, and along baseboards
- Floor scrubs are made with three different brush surfaces for cleaning at different angles
- Non-absorbent plastic blocks and synthetic bristles wash easily and prevent gathering of mold and mildew

TOP SELLER

40423

40422   36190

Scrub Brushes

- Recommended use: Cleaning kitchen floors, under counters, around equipment, and along baseboards
- Polypropylene (PPY) bristles are stiff and long lasting under harsh conditions. PPY bristles resist oil and water making them ideal for back-of-house cleaning
- Tampico bristles provide durability and high resistance to solvents and heat
- Palmyra bristles are medium stiff and long lasting under harsh conditions
- Natural wood block

Use the guide below to help choose the right products for your floor care needs.

General Mopping

Choose mops with high absorbency, release and durability. If laundering facilities are available, it is beneficial to take advantage of launderable mops to save money. For performance and durability choose a synthetic blend or rayon mop with looped end and woven tailbands.

Yarn

- It is important to choose the right mop in order to get maximum efficiency
- Some yarns naturally perform specific cleaning tasks better than others

Yarn Ply

- Yarn ply is the number of strands twisted together to make a single yarn strand
- Although more plies give added strength, it does not always mean higher quality yarn
- More strands can add durability, but they decrease absorbency
- It is better & more cost effective to choose a higher quality yarn than a high ply, low quality yarn

Twist

- The "twist" of a yarn is a result of how tightly the fiber strands are wound together
- A tightly twisted yarn might have more strength & last longer, but it can have less absorbency
- The best choice is determined by the type & quality of the yarn, as well as the mop's construction
- Mops with looped-end construction allow the yarn to have a loose twist without the fraying

Finish Mopping

For finish mopping applications look for a rayon or synthetic mop. These mops offer high absorbency and release. To make sure you are achieving maximum floor coverage with minimal streaking choose a tailband and looped end yarn.

	Advantages	Disadvantages	Use
Cotton	Good absorption & retention with limited shrinkage & a low initial cost.	Break-in period required. Slow drying yarn leads to mildew & deterioration. Lints.	Designed for general use. Scrubbing & cleaning up liquids.
Synthetic	Long stable fiber offers excellent tensile strength without linting.	Higher cost. Poor absorption.	Rough surfaces.
Cotton Synthetic Blend	Excellent choice for performance, price & durability. Synthetic fiber offers durability & color options.	Possible shrinkage.	Requested by professionals who require a better, longer lasting mop.
Rayon	Absorbs quickly with easy release. Dries fast & is mildew resistant. Cleaner yarn with less linting.	Shrinks when laundered and has less liquid retention.	Use for applying liquids such as disinfectant or floor finishes.

The majority of our mops are made with recycled material.

Band Styles

Wide Band
Vinyl coated mesh. 5" Width

Narrow Band
Textured polyester tape. 1.25" Width

Screw Top
Textured polyester tape with a metal screw on attachment. 1. 25" Width

Handle — Jaw Style

Handle — Quick Change/Release

Handle — Screw In

Cut-End Or Looped-End
Cut-End
- Cut-end mops are the most popular
- Low purchase price compared to looped end
- Cannot be laundered
- Cover less area per pass when mopping

Looped-End
- Superior performance & lasts longer than cut-end mops
- Launderable
- Tailband style gives better mopping coverage
- Looped-ends prevent fraying & unraveling so you can achieve reduced labor costs & replace mops less often
- Although the initial investment is more than a cut-end style, the life expectancy makes looped-end mops a more economical choice

How We Rate Our Mops

	1	2	3	4	5
Absorption	▬	▬	▬	▬	
Durability	▬	▬	▬		
Release	▬	▬			
Launderability	▬	▬	▬	▬	▬

Absorbency
The absorbency of a mop refers to the ability to pick up and retain liquid. Higher levels allow faster floor drying times, leading to greater productivity and safety. Rayon and cotton yarns have the highest absorbency.

Durability
Mop durability is a measure of how long it will last or perform before needing replacement. Synthetic and blended mops are the most durable.

Release/Retention
Release is the ability of a mop to disperse liquid onto the floor or during wringing. Higher levels allow faster and more complete wringing, as well as more efficient application of cleaning solutions on the floor.

Launderability
The launderability is based on the number of washing cycles it can withstand before the construction of the mop is degraded. Synthetic and blended fiver mops have the highest levels of launderability.

Sizes Are Indicated By Tailband Color

Small

Medium

Large

X-Large

Brick Packs
Mops that are available in brick packs reduce cube up to 62%

FOODSERVICE PRODUCTS

PROFESSIONAL DURABLE TOUGH HARD-WORKING TRANS-PORTATION EQUIPMENT

Carlisle's high quality dollies, carts, and caddies help you reduce the risk of food contamination and employee injuries.

CARTS

Our unique combination of **space saving design, load capacity, and long-lasting durability** provide superior value and make Fold 'N Go the transport cart **every foodservice operation needs.**

Fold 'N Go® Carts

- Folds and unfolds in a single, quick and easy motion
- Each cart holds up to 350 lbs (approximately 116 lbs per shelf)
- Cart ships fully assembled; no tools or complicated latches required
- Collapses to 9" width and 10.5" width; stores easily behind doors, in between counters, or back of delivery vans
- Shelves are easy to clean; top shelf has ergonomically shaped, easy grip handles at both ends for a fast, secure grip
- SBC1521 shelf measures 20.5" L x 15" W; SBC2031 shelf measures 31.5" L x 18.5" W; with 11.5" shelf spacing
- 4" heavy-duty, non-marking swivel casters with molded-in metal reinforcement plates are permanently staked to .75" solid aluminum legs for longer life and added strength and rigidity

Licensed Product under U.S. Patent No. 5806864

SBC1521   SBC2031

350 lb Capacity

Easily folds with one hand

Replacements parts shown on pages 333

Bussing Carts

- Durable construction stands up to the toughest use
- Shelves are textured to minimize scratches and provide a better grip
- Convenient knockdown design is easy to assemble
- Available with optional back panels to hide clutter or locking doors to secure sensitive items like liquor or cleaning supplies (15" x 21" size only)

NSF®

Replacements parts shown on pages 333

Trash container and silverware holder sold separately

Raised edges on shelves help keep contents secure during transport

Side panels help hide clutter

Durable construction will stand up to the toughest use

CC2036DP, available with locking doors and side panels to secure sensitive items

DISH DOLLIES

Optimizer™ Adjustable Dish Dollies

- Adjustable dividers eliminate the need for individually sized dollies
- Dollies hold plates from 5.5" to 12.5"
- Polyethylene dividers and walls help prevent dish edge chipping
- Two-handed access to all plates reduces breakage
- Non-marking casters (2 locking, 2 non-locking) for easy transport of loaded dollies
- Includes vinyl cover with easy-opening hook & loop side included for sanitary storage
- Replacement parts are listed on page 333
- NSF Listed

NSF.

ADS4

ADD4

ADDC Vinyl Cover with ADD6

ADD4, ADD6 Optimizer Dollies Also Feature:

- Most flexible dolly available; holds trays, plates, and platters
- ADD6 holds oval platters from 9.5" x 7.25" to 13.5" x 10.5"
- Holds 5 stacks of 9.88" to 11.25" plates; 25% more than any other similar dish dolly
- Holds 8 stacks of 5.5" to 8.25" plates; 33-50% more than any other similar dish dolly (up to 50 or more plates per stack, depending on plate profile)
- Use 2 to 4 dividers for 10" or larger plates; 6 dividers for 8" to 9.75" plates; 8 dividers for 8 stacks of 7.75" or smaller plates
- 2 dividers for 13.5" x 10.5" platters; 6 dividers for 9.5" x 7.25" to 12" x 9.25" platters.

ADS4, ADS8 Optimizer Dollies Also Feature:

- Smaller size fits through narrow corridors or under tables
- Flexible configuration holds a variety of plates and platters

JANITORIAL CARTS

Janitorial Carts & Accessories

- Rugged polypropylene resists cracking, peeling, and corrosion
- Three durable shelves with raised edges keep items organized
- Platform base holds a Bucket/Wringer or 23 gallon TrimLine™ Waste Container
- Includes a 25 gallon nylon bag for waste or laundry collection
- 3" standard Carlisle non-marking swivel casters in front; large 8" non-marking rear wheels

JC1945S

Integrated tool holders, shelves, and hooks keep everything organized including unwieldy handles.

Front hooks hold most standard Wet Floor Signs. Built-in hanger holds multiple spray bottles.

Structurally reinforced base and heavy-duty casters/ wheels withstand rough use – holds up to 300 lbs.

Tough 25 gallon nylon bag easily attaches to cart arm. Hooks on top of arm to hold trash liners in place. Arm swings up for more compact storage when not in use.

JC1945CB

Tool Caddy
- Handled caddy fits in the top compartment of the JC1945 cart series
- Deep compartments prevent spills
- Made of durable polypropylene

IN THIS SECTION

Here, you will find basic information on how to get custom decorated or logo'd products and find replacement parts for Carlisle products you already have. The index below will guide you through this section. Page references will direct you back to the catalog section where specific products are located. **All information is listed in catalog order.**

To access this and other helpful information and learn more about all of our latest products visit **www.carlislefsp.com.**

You can locate all of our product Tech Specs – dimensions, capacities, material, and more by visiting our website and selecting the Tech Specs tab on the section intro. This information is also easily accessed from any of the individual product listings in our on-line catalog. We also offer extensive on-line resources where you can find more in-depth information on all of our products.

Our web site is packed with everything you could ever need to know about our products and services.

Information like:
• Complete Technical Specifications for all Carlisle products – including dimensions, capacities, material content, electrical information, and more
• Product Specification Sheets
• Care and Use Instructions
• Details on our many money-saving Warranties
• Dinnerware Shapes and Profiles
• Additional Replacement Parts
• Food Bar Pan Layouts
• OptiClean Glass Rack Sizing Guide – including convenient glass-to-rack reference guides for all major Drinkware manufacturers along with our exclusive Glass Rack Wizard
• Brush and Bristle Guides – to help you select the proper brush for any cleaning job

Visit our website to see how to qualify for rebates and other special offers direct from Carlisle that can save you hundreds of dollars on the professional quality foodservice and cleaning tools your operation uses every day.

CARLISLE
FOODSERVICE PRODUCTS

CUSTOM IMPRINTING

Camera-Ready Artwork For Silk Screening

- Digital artwork must be high resolution (300 DPI) as an EPS, PDF, TIFF, or JPG. Artwork should be sent in the original format in which it was created. Artwork must also be properly separated when more than one color is used.
- At customer's request, we will prepare camera-ready art at an artist fee of $100.00/hour.
- Since the design possibilities are governed by the item to be imprinted, details of all artwork must be submitted to Carlisle FoodService Products for consideration before an order can be accepted.

Samples

- With a firm order, we will provide ONE sample for approval before final production.
- A NET charge of $75.00 must be paid in advance to request one imprint sample without a firm purchase order. This charge also applies if your order is canceled after receipt of sample, prior to production. The $75.00 NET charge is in addition to the set-up charge.

Set-Up Charge

- $50.00 net for one color, one side. $25.00 net for each additional color and side.
- One-time film charge of $15.00 net per color. Charge covers 8.5" x 11" film.

Terms

- Delivery of plus or minus 10% within the quantity ordered constitutes fulfillment of the order and payment shall be made on the basis of actual delivery.

Returns

- Custom decorated products are not accepted for exchange or refund.

Case Lots

- All orders sold in full case lots only.

Questions

- Contact your local Carlisle Sales Representative or your Customer Service Representative for more information.

CARLISLE
FOODSERVICE PRODUCTS

DURUS® DECORATED DINNERWARE

All Durus items shown on pages 12-13 can be custom decorated.

Camera-Ready Artwork
- Digital artwork must be high resolution 300 dpi in an eps or tiff format. Artwork should be sent in the original format in which it was created. Artwork must also be properly separated when more than one color is used
- At customer's request, we will prepare camera-ready art at an artist fee of $100.00/hour.
- Since the design possibilities are governed by the item to be decorated, details of all artwork must be submitted to Carlisle FoodService Products for consideration before an order can be accepted
- Artwork colors must be darker than item to be decorated

Samples
- With a firm order, we will provide ONE sample for approval before final production
- A NET charge of $250.00 must be paid in advance to request one imprint sample without a firm purchase order. This charge also applies if your order is canceled after receipt of sample, prior to production

Minimum Quantities
- Minimum Custom Order – 1,008 per item

Case Lots
- All orders are sold in full case lots only

Lead Time
- 90-120 days upon approval of sample and date of order entry

Terms
- Delivery plus or minus 10% within the quantity ordered constitutes fulfillment of the order and payment shall be made on the basis of actual delivery

Returns
- Custom decorated products are not accepted for exchange or refund

Questions
- Contact your local Carlisle Sales Representative or your Customer Service Representative for more information

PERSONALIZED FIBERGLASS TRAYS

All fiberglass trays shown on pages 138-139 can be custom decorated.

Camera-Ready Artwork
- Any shape or size tray can be made in a custom color or personalized with your logo or artwork
- Digital artwork must be high resolution (300 DPI) as an EPS, PDF, TIFF, or JPG.
  Artwork should be sent in the original format in which it was created. Artwork
  must also be properly separated when more than one color is used
- Print area extends to .5" from the trays inside edges
- Artwork colors must be darker than the tray color.

Samples
- Carlisle must receive written sample approval from customer before order will be produced.
- Requests for more than one sample or for samples without a
  firm purchase order will be charged $75.00 net

Minimum Quantities
- There is no print charge for minimum orders of 72 each & above
- There is a 144 piece minimum for custom colors

Case Lots
- Orders must be in full case pack quantity

Returns
- Custom colors and decorated products are not accepted for exchange or refund

Delivery
- Custom fiberglass trays ship from our Mexico facility in Chihuahua Mexico

Questions
- Contact your local Carlisle Sales Representative or your Customer
  Service Representative for more information

DURUS® WARRANTY & CARE

Durus Dinnerware 4 Year Limited Warranty

Durus Dinnerware is shown on pages 12-13. Durus must be handled like any fine dinnerware. Carlisle FoodService Products agrees to extend a limited four year Warranty against breakage on its Durus line of dinnerware provided that the following procedures for care are observed:

- Do not use steel wool, harsh abrasive pads, abrasives, or scouring compounds, chlorine bleach, or chlorine based solutions in the washing process of this dinnerware. Do not intentionally strike or bang against counters or hard objects to remove debris. All debris should be removed by hand using a nylon or silicone plate scraper, sponge, or soft bristle brush. Do not place Durus dinnerware in a standard oven or microwave oven. Do not expose Durus to direct flame or dry heat over 180°F.
- Upon receipt of your shipment, complete one Warranty Card enclosed with your purchase. If this card is not completely filled out and forwarded to Carlisle FoodService Products, the Warranty is null and void.
- This Warranty herein extends only to the original user (purchaser), and is not assignable, or transferable, and shall not apply to any parts which have been subject to alteration, misuse, negligence, or accident. This Warranty does not cover chipping or staining of the product.
- Should any breakage occur during the limited Warranty, which commences on the date of delivery or receipt, please contact Carlisle's Customer Service Department at 800.654.8210 for return authorization and shipping instructions.

In light of the express four (4) year Limited Warranty provided by Carlisle FoodService Products, the duration of any implied warranties, including any implied warranties of the merchantability of fitness for a particular purpose, is hereby limited in all respects to the period covered for the express Warranty. Except for its Warranty obligations, Carlisle FoodService Products shall not be liable to the purchaser or to any other person, to the maximum extent permitted by law, for any loss or damages of any kind, including but not limited to, incidental, special, or consequential damages or loss of profits, arising out of or in connection with the use, loss of use, or replacement of the warranted products. Misuse, abuse, negligence, or failure to follow the Durus care and use instructions will render this warranty null and void.

How to Care for your Durus Dinnerware

- Do handle Durus like any fine dinnerware.
- Use only non-abrasive cleaning pads that do not contain any mineral grit as this will scratch the melamine surface, or use any Carlisle plastic bristled brush to remove dried-on food.
- Do pre-soak Durus, if desired with a non-chlorinated pre-soak.
- Do remove hard water film, food residue, and dried-on stains using a simple paste made from an oxygenating or alkaline pre-soak powder according to detergent manufacturer's directions.
- Do wash Durus in a good quality, non-chlorinated, highly alkaline dishwashing compound.
- Do not place Durus in a microwave oven.
- Do not place Durus in a conventional oven.
- Do not expose Durus to direct flame or dry heat over 180°F.
- Do not use harsh abrasive cleaner, steel wool, or metal scouring pads.
- Do not use chlorine bleach or chlorine based cleaning/ sanitizing solutions.
- Do not overload dishwasher racks.
- Do not strike or bang Durus to remove food debris.

TERMS & CONDITIONS — Carlisle FoodService Products

1. Terms and Method of Payment

a. All orders are subject to approval and acceptance by SELLER. No order accepted by SELLER shall be subject to cancellation, termination, suspension, change, reduction, cutback or other modification except with SELLER'S prior written consent.

b. Our standard terms of payment are net 30 days from invoice date. The amount of terms of credit, if extended, may be changed or credit withdrawn by SELLER at any time. No orders will be shipped on a COD basis.

c. Prices do not include federal, state or local taxes, duties or other levies, now or hereafter enacted, applicable to the items deliverable under the sales order or invoice (hereinafter called ITEMS), which taxes, duties, or other levies will be added by SELLER to the sales price and will be paid by BUYER unless BUYER provides SELLER with a proper exemption certificate.

d. Packaging for commercial shipment is included in the contract price. Any special packaging, crating or shipping instructions must be noted on BUYER'S original order and acknowledged by SELLER.

2. Title and Delivery

The ITEMS shall be delivered F. O. B. SELLER'S plant, and title thereto shall pass to BUYER, upon SELLER'S delivery of the ITEMS to a common carrier for shipment to BUYER. All items from the Carlisle FoodService Products catalog may be combined to obtain prepaid freight, regardless of the shipping point. Freight is prepaid on all orders totaling $2,500 net or more to one destination within the contiguous 48 United States. Freight on prepaid International Shipments will be paid on normal ground transportation from shipping point to the consignee. When the order qualifies for prepaid freight, Seller shall have the right to select the means of transportation. If Buyer requires a means of transportation other than the one normally selected by Seller, any extra cost incurred by reason of using such other means shall be paid by Buyer. Palletized international orders requiring heat treated pallets will be charged $4.25 net per pallet. International orders requiring heat treated certified bark-free pallets will be charged $18.50 net per pallet. Any accessorial charges incurred because of a customer request will be the responsibility of the requester. Any items backordered from a prepaid shipment will be forwarded prepaid. Items backordered from ex works shipments will be forwarded ex works.

3. Inspection and Acceptance

Thoroughly inspect all shipments. Do not accept a damaged or short shipment until exception is noted on the freight bill. BUYER will be held responsible for all shipments with freight bills signed free and clear. If concealed damage is discovered, contact the freight company immediately for inspection. Concealed damage must be reported to the carrier within 7 days of receipt. All damaged goods and shortages that are not properly documented and reported upon receipt become the sole responsibility of the BUYER.

4. Patent Indemnification

SELLER shall protect and indemnify BUYER and its directors, officers, agents and employees against all claims for damages or profits, including all reasonable costs incurred by BUYER in connection therewith, arising from infringement of patents, copyrights, trademarks or misappropriation of designs.

5. Returns and Cancellations

No returns will be accepted without an authorization number from Carlisle Customer Service. An authorization number may be obtained by calling 800 654 8210 and requesting a Return Authorization from Customer Service. All requests for return must occur within 90 days of the original shipment of the product unless special authorization is obtained. Merchandise returned without authorization will be refused and returned to the customer, freight collect.

Any merchandise must be returned freight prepaid, and is subject to a minimum of 15% restocking charge.

All returned goods must reference the original invoice and purchase order. Returned goods must be in original standard packs and in unused salable condition. Special Order Products and discontinued items will not be accepted for exchange or return. This includes any articles custom imprinted or modified for purchaser.

6. General

a. All prices are list and subject to change without notice. Orders from authorized accounts will be accepted with the understanding that prices are those in effect at the time of shipment. These prices are exclusive of all sales taxes which may be levied by State, Federal, or City governments.

b. Orders less than $100.00 net will be charged a $10.00 handling fee. The initial order requirement for a new customer is $3,500 net, and must be accompanied by a tax exemption certificate.

c. Orders calling for less than a standard case pack will be charged $5.00 net each per broken case.

d. Orders requiring 3rd party freight billing will be accessed a $5.00 per order processing charge.

e. All orders of custom products are subject to shipment of plus or minus 10% of the quantity ordered.

f. No ITEMS to be furnished hereunder shall be exported by BUYER unless SELLER is first notified in writing of the intention to so export and all applicable regulations and licenses are complied with and obtained by BUYER or its customer.

g. SELLER hereby certifies that the goods described herein of its manufacture will be produced in compliance with all applicable requirements of Sections 6, 7 and 12 of the Fair Labor Standards Act, as amended, and all order of the United States Department of Labor issued under Section 14 thereof. SELLER further certifies that it is in compliance with the Equal Employment Opportunity clause in Section 202, paragraphs 1 through 7 of Executive Order 11246, as amended, relative to equal employment opportunity and the implementing Rules and Regulations of the Office of Federal Contract Compliance.

h. SELLER is not responsible for typographical errors made in any of its publications or for stenographic or clerical errors made in preparation of quotations, sales orders, acknowledgments, or invoices. All such errors are subject to correction.

i. This agreement shall be governed by the laws of the state of Oklahoma.

j. SELLER'S "Terms and Conditions" as set forth above shall govern all transactions. Any inconsistent terms of BUYER wherever set forth and whether oral or written, shall not be binding upon SELLER unless agreed to by SELLER in writing. No waiver or exception to any of the hereinabove enumerated conditions or any of the special terms and provisions relating to any order shall be binding upon SELLER unless agreed to in writing by SELLER.

k. SELLER reserves the right to change or discontinue the color, design, component content or price of any ITEMS in SELLER'S catalog or published price lists without prior notice at any time.

The specifications and prices listed in this document are subject to change. Carlisle does not assume responsibility for typographical errors.
